**Application No. 10/800,060**  
**Title: Air Impingement Conveyor Oven**

Dear Sirs/Madams:

Enclosed for your reference is a copy of the *Petition for Certificate of Correction* which I filed on December 6, 2005. Your office acknowledged receipt of the Petition, and a copy of the acknowledgment is enclosed. Express Mail receipts showing submission of the Petition are also enclosed. I followed up on August 29, 2006 with a certified mailing regarding the filing of the Petition. A copy of the 8/29/2006 letter is enclosed for your reference. I also enclose a U.S. postal service document which corroborates that my 8/29/2006 letter was received at the USPTO.

I request that your office proceed to make the correction which has been requested. Your office was the sole source of the erroneous "OVER" title of my client's inventive "OVEN".

Your consideration, assistance, cooperation, and return communication regarding the matter would be greatly appreciated.

Sincerely,

KENNETH H. JACK

**RE: Request for Certificate of Correction  
U.S. Patent No. 6,833,533**

Dear Commissioner:

The subject of the above patent is an oven. However, the title erroneously says "over". Enclosed is paperwork which I had earlier submitted in an attempt to correct the error.

Please note that the paperwork which I submitted last December stated that the Application Serial No. was 10/800,006. This statement was in error.

The correct application serial No. is: "10/800,060"

The error which I am attempting to correct clearly is a typographic error committed by the Patent Office. I request that procedures move forward to correct this error. If there is any problem with this request, please be in touch with me.

I request acknowledgment of receipt. Thank you very much for your assistance in this matter.

Sincerely,

KENNETH H. JACK
